SUBJECT: Orissa MSME Development Policy, 2009

The Orissa MSME Development Policy, 2009 aims at broad basing the growth of MSMEs of the State in all potential sectors of economy thereby widening opportunities for employment generation, revenue augmentation, exports and realising the full potential of Micro, Small & Medium Enterprise Sector of the State. It is focussed at sustainable and inclusive industrial growth aiming at balanced regional development. In spite of inherent richness of the State in terms of natural resources, human resources and enterprising enabling polity, the MSMEs of the State suffer from typical weaknesses and have specific needs and requirements. In order to address such needs and to enable the MSMEs to face the emerging challenges and gain competitiveness in globalized and competitive market, the Government of Orissa has already enacted IPR, 2007 and now is declaring a policy christened as “Orissa MSME Development Policy, 2009” with a view to provide opportunities for the growth of MSMEs in the State as a new wave of industrialization is being witnessed in Orissa today especially in the metal, power, cement, petrochemical, IT, Tourism sector and also in the services sector.

2. This policy is in conjunction with IPR, 2007. It lays thrust on development of infrastructure to meet the MSMEs requirements, facilitation of flow of credit, sourcing of raw material in efficient and cost effective ways, support measures for marketing, concerted effort for promotion of exports, assisting and incentivising technology upgradation, rehabilitation and revival of viable sick units with enabling institutional arrangements for providing hand-holding support. This policy shall also be instrumental in entrepreneurship development, skill upgradation, providing fiscal incentives and facilitate smooth investment through single window mechanism to help translate investment objectives into actual practice. Besides, this policy will provide ample opportunity to local entrepreneurial talent and strengthen the institutional support in alignment with the present requirement of the MSME Sector.

3. The policy lays emphasis on addressing the infrastructural needs of MSMEs. on priority. There is provision for reservation of minimum 20% of land in all industrial estates, industrial parks, industrial corridors and land banks for MSMEs. 10% of land limiting to 200 acres, allotted to large and mega industries is earmarked for setting up of ancillary and downstream MSMEs preferably in cluster mode. New exclusive industrial parks for MSMEs at all major industrial hubs such as Kalinganagar, Barbil, Jharsuguda, Sambalpur, Dhenkanal, Angul, Paradeep, Rourkela, Bargarh, Balasore, Dhamara, Gopalpur, Chhatrapur, Rayagada, Kalahandi and Choudwar and near the SEZs. will be an additional effort to accelerate the growth of MSMEs. Dedicated industrial parks at suitable locations for women entrepreneurs shall be developed with a mission to reduce the socio-economic gap and ensure gender empowerment.

4. Adequate flow of credit is a major enabler for survival and growth of MSMEs. This policy has emphasized on constitution of a Credit Monitoring Group to monitor and facilitate the flow of institutional credit to MSMEs. Launching of “Orissa MSME Venture Capital Scheme” will stimulate promotion of new entrepreneurs, technologies and innovations. This policy also provides scope to encourage Banks and Financial Institutions for setting up dedicated branches at industrial hubs for exclusive MSME finance. Such branches shall be provided infrastructure facilities including land on priority basis at concessional industrial rate. Subsidising the credit rating fees is a special feature of this policy.
5. To boost forward linkage, State Government will ensure procurement of goods and services by the Government Departments and Agencies from MSEs located within the State via rate contract system, purchase from exclusive list and purchase by open tender with 10% price preference to local MSEs, K & VI units including Coir, Handloom and Handicrafts vis-a-vis local medium and large industries as well as outside industries. MSMEs shall be encouraged for formation of Consortium and Sub-Contract Exchanges for participating in high value procurement and composite tenders to derive the benefits of economies of scale.

6. The policy envisages adoption of cutting edge technology with introduction of a new scheme, “Orissa Technology Upgradation Scheme” for undertaking modernisation and technological upgradation. Subsidizing practice of Clean Development Mechanism and related technologies and purchase of Technical know how, etc. are some added features of the policy.

7. Cluster approach is the proven successful approach for sustainable growth of MSMEs. This policy gives a thrust on promotion of new clusters of ancillary and downstream industries at industrial hubs such as Kalinganagar, Paradeep, Dhamara, Gopalpur, Angul, Dhenkanal, Sambalpur, Jharsuguda and Keonjhar.

8. Some other important thrusts of this policy include rehabilitation and revival of viable sick units, review of performance of Banks and Financial Institutions by Empowered Committee on SMEs. constituted by RBI, strengthening of institutional framework, restructuring and upgrading the existing set up of different level of DICs., networking with Line Departments, operationalisation of single window mechanism, strengthening industry-institution linkages, setting up of incubation centres for new entrepreneurs at strategic locations preferably in association with CIPET, CTTC, XIMB, NSIC and KVIC, subsidising the cost of higher training to promoters of MSMEs., upgradation of ITIs. and promotion of new institutes for skill upgradation, etc.

9. However, it is felt necessary to provide fiscal incentives to attract investors and to accelerate the industrial growth. This policy has provided support measures such as capital investment subsidy @ 10% of FCI subject to an upper limit of 8 lakhs to new MSMEs. and 12% of FCI maximum up to 10 lakh to MSMEs. set up by SC, ST, PH, Women, Technical (Degree/Diploma holding) entrepreneurs. Women entrepreneurs are to be entitled to additional 2 years fiscal incentive of IPR, 07 as regards to VAT. The SPVs. of MSME Clusters are to be given the status of new small scale industrial units for the purpose of availing fiscal and non-fiscal incentives under this policy.

10. Formulation of this policy has passed through an elaborate consultative process involving all stakeholders including Industries Associations, Financial Institutions, Experts and Government Departments concerned incorporating valuable and pertinent suggestions received from all corners.
